WAYS TO ENGAGE AND BENEFIT

THE POWER OF POSITIVE LEADERSHIP **KEYNOTE:**

Bring Jon Gordon or a member of his speaking team to your group, organization or event to deliver an engaging and dynamic keynote sharing the proven principles and practices that make great leaders great. Utilizing the latest research, compelling stories and practical applications the POPL keynote will leave your audience informed, empowered, inspired and prepared to activate what they have learned.

THE POWER OF POSITIVE LEADERSHIP **WORKSHOP:**

Bring a certified POPL workshop leader to your organization to experience a three-hour interactive session that guides participants through a deeper look at the principles and practices that make great leaders great. Utilizing compelling stories, a dynamic review of the POPL principles and interactive discussions our workshop leaders will bring the POPL model and principles to life, providing you with a framework to improve the leaders in your organization.

THE POWER OF POSITIVE LEADERSHIP **TRAINING PROGRAM:**

Bring a certified POPL trainer to your organization or attend one of our public training events to experience an interactive, innovative, and transformative full day of training filled with proven strategies, real world examples, best practices and thought provoking exercises to help you become a better leader. You'll leave with a personal action plan to enhance your leadership, improve your team and organization and create positive results.

THE POWER OF POSITIVE LEADERSHIP **TRAIN THE TRAINER PROGRAM:**

Become a trainer and bring The Power of Positive Leadership's proven model, principles and practices to your organization. If you are an independent trainer you will be licensed and equipped to train leaders across various organizations. This certification will provide you with everything you need to deliver a Power of Positive Leadership Training. Upon completion, you will receive certification and electronic access to all materials and resources, in addition to support through our coaching team.
